Care For Work Environments<sup>®</sup>

# STATE Grease- B-Gone<sup>®</sup> Cherry

## PRODUCT OVERVIEW :

### PREVENTATIVE MAINTENANCE

Don't wait for backups or overflows to occur. Wherever grease build-up occurs and drains begin to smell, preventive maintenance with Grease-B-Gone Cherry is the answer! Don't take a chance on incurring the expense of snaking lines or costly pump-outs. Regular drain maintenance with Grease-B-Gone Cherry keeps potential drain issues away and saves money, compared to emergency cleanouts.

### APPLICATIONS

Kitchen drains, bathroom drains, shower drains, bar drains and grease traps.

## DIRECTIONS FOR USE :

**Drain Use:** To open drains stopped by grease buildup, pour 8 ounces in drain and let stand for 1 hour. In garbage disposals, let stand for 5-10 minutes. Flush with hot water. To prevent grease buildup in drains and grease traps, dilute 8 ounces per gallon of water and apply. Let stand for 1 hour. Flush with hot tap water. For odor control, dilute 4 ounces per gallon of cold water, apply and allow to set for 5 minutes. Rinse with clean water. NOTE: Use caution with plastic or PVC pipes. Not for use on food contact surfaces.

**Sewage Plants:** Controls sewage odors in a dilution as low as 0.05 ppm or 1/2 ounce per 8,000 gallons of sewage water. Does not affect bacteria activity.

## TECHNICAL DATA :

**APPEARANCE:** colorless to pale yellow colored liquid

**ODOR:** cherry

**FLASHPOINT:** 155°F

**EFFECT ON BENEFICIAL DIGESTIVE BACTERIA IN SEWAGE**

**SYSTEMS:** none

**BIODEGRADABLE SOLVENT:** yes

**NOTE:** Use caution when applying to plastic or PVC pipes. Standing product may cause leakage at plastic plumbing joints.

### PACKAGING

129367	55 GL Drum
129366	20 GL Drum
129365	5 GL Pail
129364	1 GL Container/CS4
129361	1 PT Container/CS12
