**SOFTENER/SOUR**  
SOFTENER/SOUR FOR  
MULTI-COMPONENT LAUNDRY SYSTEMS

## PRODUCT OVERVIEW :

This dual purpose laundry softener and sour quickly lowers the pH of the final rinse water while leaving linens and textile soft and fluffy. Pyxis™ Softener/Sour neutralizes static electricity even in dry environments. It leaves towels and bed linens cozy soft with a lasting just-laundered freshness.

## DIRECTIONS FOR USE :

Remove cap, connect to correct tube, consult State Cleaning Solutions sales representative for proper dosage and dispensing instructions. After all items are set, run test load of typical items and check for detergent alkali presence on fabrics. Adjust concentration as necessary. Dry test load and check softness.

NOTE: Not for use on fire retardant treated material.
