STATE® FRAGRANCE CUBE FAMILY

MEET THE FAMILY

Fragrance Central

For spaces up to 750,000 cubic feet, the **State® Fragrance Central™** is an HVAC-compatible ambient scenting system that provides invisible aromatic coverage to exhibit halls, large banquet facilities, retail centers and more.

Fragrance Cube

Whether you manage a hotel, entertainment facility or commercial building, **State's Fragrance Cube** is a customizable way to refresh spaces of 10,000 to 150,000 cubic feet.

Fragrance Cube 6-15

The ideal solution to treat indoor, medium-sized spaces ranging from 6,000 to 15,000 cubic feet, such as hallways, locker rooms and restrooms, is **State's Fragrance Cube 6-15**.

Fragrance Cube 2-6

Small but mighty, **State's Fragrance Cube 2-6** is a scenting solution for small, indoor spaces ranging from 2,000 to 6,000 cubic feet, like restrooms, offices and entryways.

Aromatic odor elimination technology with a sleek look.

The State Fragrance Cube Family offers a variety of ambient scenting systems that provide invisible, aromatic coverage to spaces of all sizes. These dispensers utilize cold air diffusion technology to consistently produce a completely dry, scented vapor that will consistently fragrance your space.
